RE: Authorization for rebranding of originally approved equipment

Intrinsyc Technologies Corporation hereby gives authorization to Technologies Humanware located in Quebec, Canada, to apply for a change in ID with FCC and multi listing with ISED Canada in accordance with agency rules, for the following product originally certified under FCC ID2AFDI-ITCOQ410S granted on July 22, 2016, and IC: 9049A, model number ITCOQ410S granted on July 28, 2016. Any changes to the compliance of this product will be the responsibility of Technologies Humanware Inc.

Sincerely,

A handwritten signature in black ink, appearing to read "Cliff Morton", with a long horizontal line extending to the left.

Cliff Morton
VP Client Solutions
